**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of the millions of seniors who remember when there was only one provider for telephone and internet. A lot of competition may confuse me, and I don't understand or use the product to its utmost possibilities, but I do appreciate that we have choices!

I have been a satisfied client of Sonic for many years, it suits my needs and budget, and I do not want to change or possibly do without.

I would appreciate the FCC not making the proposed changes and that Sonic and other providers (besides the 'biggies') be allowed to serve my community!

Sincerely,

Berni Altman
